

AFROTC DET 040:

September 2017 Newsletter

A word from your Wing Commander:

"It is often said that the journey of a thousand miles begins with a single step. I want to thank all of you for choosing to take the first step in your Air Force careers here at detachment 040. I look forward to working with each and every one of you to achieve our common goal of becoming quality Air Force Officers."

- C/Col Randy J. Nielsen, Cadet Wing Commander.

Congratulations to the Cadets of the Week

EXTRACURRICULAR

ARNOLD AIR SOCIETY

The Arnold Air Society Squadron at Detachment 040 has been quite busy. In 2017 alone, the squadron has logged over 1000 hours of community service. To put that in perspective, that is nearly 42 days worth of continuous service. The squadron recently welcomed two new active members, AAS C/Capt Andrea Hurtado and AAS C/1st Lt Michael Brown, after they completed their spring training program. Candidacy training for this semester recently began on 08 Sep, where one of the largest candidate classes in recent history (16 to be precise) began their journey to becoming an active member of Arnold Air Society. The new Squadron Commander, AAS C/Maj CJ Collier, recently expressed his desire for the squadron to receive national awards, and as a result has begun the process of updating the squadron's bi-laws in order to better equip the squadron for such a position. The Arnold Air Society cadets also anxiously await this semester's Area Conclave (ARCON), which will be taking place in Las Vegas, Nevada. There's a lot of great things happening in the Arnold Air Society squadron, and this is only the beginning of the school year. Arnold Air Society is always looking for new members. Come to training after GMC time to become a part of the squadron.

THINGS TO LOOK OUT FOR

The Hangar

The Det's cadet area has now been officially named "The Hangar" Think of this space as a general space for the use of all AFROTC cadets. Check out some of the new additions like the foosball table, and keep your eyes out for the new dart board. There will also be snacks available for purchase, courtesy of the MWR.
